| A NOTE FROM LAURA

This is probably one of the hardest decisions you will ever make.

I have spoken with a lot of families at exactly this point. The mixture of guilt, worry, and relief is completely normal. So is the fear that nowhere will be good enough.

What I can tell you is this: at Catherine House, your loved one will be known. Not just their care plan, not just their diagnosis. Them. Their routines, their preferences, their sense of humour, the things that make their day good.

Read this guide. Ask me anything. Come and visit. There are no stupid questions and no pressure.

Laura Luxon
Registered Manager, Catherine House

Five things we promise you

- **Your loved one will be known by name and by character,** not just by their care plan.
- **You will always be able to reach someone who knows them.** Laura's direct number is 01823 630750.
- **We will tell you about the good days and the difficult ones.** No sugar-coating.
- **Visiting is always welcome.** We want families to be part of life here, not occasional visitors.
- **If something is not working, we will say so honestly** and work with you to fix it.

What life actually looks like here

No two days are identical, because no two people are identical. Support is built around what each person wants to do, not around what is easiest to organise.

A typical week might include

- Trips into Taunton town centre, shopping, cafes, markets
- Cooking meals together and independently where that is a goal
- Hobbies and activities chosen by each resident
- Time outdoors, garden time, local walks
- Visits from family and friends at times that suit everyone
- Health appointments, supported by a consistent member of staff
- Evening activities, films, music, social time

Your questions answered

Can I visit before a placement is confirmed?

Yes, always. Come and have a look around, meet the team, and ask whatever you need to ask. No pressure.

What are the fees?

Fees depend on the level of support needed and how the placement is funded. Most placements are funded by Somerset County Council or NHS Somerset ICB. Call Laura and she will explain clearly.

How do I stay in touch day to day?

Call 01823 630750 or email info@forwardsupport.co.uk. You will always reach someone who knows your loved one personally.

What happens if something goes wrong?

We tell you. Immediately and honestly. Laura is always the first point of contact.

Can my loved one keep their own GP?

We will do our best to support continuity and discuss this as part of the placement planning process.

What about personal belongings and their own space?

Every resident has their own room, which they are encouraged to personalise. Personal belongings are welcomed and respected.

| COME AND SEE US

The best way to know if we are the right home is to visit.

We will show you around properly. You will meet the team, see the home, and have time to ask anything at all. No pressure, no sales pitch. Just an honest conversation.

> Kindness, laughter, and cuppas come as standard.
